

For our Erfurt-Weimar Airport location, we are looking to fill the following position:

■ Aircraft and Facility Cleaner (m/f)

Your tasks

- Cleaning of all aircraft serviced by HAITEC VIP Maintenance (inside and outside cleaning)
- Cleaning of aircraft in all ATA chapter areas (cabin, airframe, engine, landing gear, etc.)
- Cleaning the seats in the seat workshop
- Cleaning of dismantled aircraft components
- Cleaning of hangers and motor vehicles
- Cleaning according to cleaning schedule

Your profile

- Experience in the area of aircraft cleaning
- Team-oriented work
- Great resilience and flexibility
- Good knowledge of German is required; knowledge of English is an advantage
- Readiness for shift duty, stand-by duty, and travel
- Correct, neat, courteous, customer-oriented demeanor
- Flawless character
- Class B driver's licence

We look forward to receiving your complete application documentation – preferably by email – to jobs@haitec.aero including desired salary and possible start date.
